K. Complaints Handled:

- *Keena vs. Dairyland Diesel Driving School* – Student made allegations of poor equipment, shortened training days, harassment, curriculum issues. Worked with DWD, DOT to investigate allegations; EAB sent letter reminding school of compliance requirements for approval; requirements related to DOT regulations and need to treat students fairly. EAB will continue to monitor school.
- *Verette vs. Bryant & Stratton College* – Student asserts her transcript should not show the statement “released from the nursing program,” and her balance owed to the school should be waived because of the nature of the events leading to her dismissal. Resolved in the student’s favor.
- *Fox vs. Institute of Beauty and Wellness* – complaint indicates negative and traumatizing experience in the massage therapy program. Requested tuition refund and accrued interest with the Great Lakes Student Loan program. EAB found school does not owe tuition and interest and suggested student could exercise her right to pursue a civil action.
- *Anderson vs. Wisconsin School of Professional Pet Grooming, Inc.* – student requested school award her a Certificate of Achievement and school complied. No further action needed.
