- *Bradley University (Online), Peoria, IL*
Founded 1897, Bradley University is a private, independent university offering undergraduate, graduate, and continuing education programs in the liberal and fine arts, the sciences, business, communications, education, engineering, technology and the health sciences. Bradley University links academic excellence, experiential learning and leadership development with an entrepreneurial spirit for a world-class education.
- *Dental Assistant Training School, Racine, WI*
The school's mission is to supply well-trained, entry level dental assistants to the field of dentistry. In 8 weeks, students will gain hands-on training and experience with the latest dental equipment and techniques and will learn dental terminology and the use of dental equipment, instruments, and laboratory procedures.
- *devCodeCamp, Waukesha, WI*
The school offers focused, quality, short-term programs with the latest technology skills. The school offers facilities in both downtown Milwaukee and in Waukesha.
- *Grantham University (Online), Lenexa, KS*
The University's mission is to provide accessible, affordable, professionally relevant degree programs in a continuously changing global society. The University aspires to be an internationally recognized leader among distance learning, higher education institutions serving students who desire an alternative to traditional institutions of higher learning.
- *Ohio Technical College, Cleveland, OH*
Ohio Technical College provides specialty career training in a variety of transportation industries to students throughout the world. Ohio Technical College provides students the training and experiences necessary to become successful technicians. The school's primary educational objective must be to prepare students for entrance or advancements in one or more occupations requiring technical or career oriented competencies and skills.
- *Otterbein University (Online), Westerville, OH*
Before the abolition of slavery, before the women's rights movement, before equality and inclusion were rights, Otterbein was founded by the Church of the United Brethren in Christ in 1847. Equality and inclusion were, and continue to be, the foundation of the university.
- *Saint Xavier University (Online), Chicago, IL*
The University, a Catholic institution inspired by the heritage of the Sisters of Mercy, educates men and women to search for truth, to think critically, to communicate effectively, and to serve wisely and compassionately in support of human dignity and the common good. The institution began in 1846 and is the oldest Catholic college in the Chicago area.
- *The New School (Online), New York, NY*
Founded in 1919, The New School is a distinguished, progressive private research university situated in the heart of New York City's Greenwich Village. The university strives to train world citizens, individuals whose ideas and innovations forge new paths of progress in the arts, humanities, public policy, and the social sciences.
