OTHER ACTIVITY

K. Complaints Handled:

- *Hayes vs. Globe University* - 6/10/2016 - School provided student with requested transcript even though student has outstanding debt with the school. Complaint closed.
- *Porter vs. devCodeCamp* - 5/27/16 – Refund not provided within 40 days as required and despite offers to pick up the refund check. The EAB issued devCodeCamp a warning rather than fining the institution since Mr. Porter received the full 90% refund due him and this is devCodeCamp's first violation of Administrative Code.
- *Sheahan vs. Madison Media Institute* - 5/24/2016 The student and school reached a confidential settlement; and the complaint is considered closed.
- *Aschaker vs. Madison Media Institute* - 5/13/2016 - MMI knowingly enrolled Mr. Aschaker in three courses that would not transfer to his new program. MMI will credit the student's account \$5,175.00 for coursework completed in legacy program that will not transfer to new program.
- *Young vs. Westwood College (Online)* - 4/26/2016 - The EAB conducted a thorough review of the complaint, documentation provided from the student and the school, and the school's signed Online Program Enrollment Agreement. Based on the review of the complaint, the EAB found no refund is due and considers the complaint closed.

- *Maldonado vs. Weekend Dental Assistant School* - 4/18/2016 - After reviewing documentation provided and interviewing the student and school officials, and despite the matter being more than a year old, the EAB concluded there was insufficient evidence to support the student's claim that the school received a request for and/or denied her an interpreter in the Spring of 2014 when she enrolled in, attended, and completed its dental assisting program. Complain closed.
